Subject: I've Been Able to Reduce Your Rate With X (Repricing)

Hi [Name],

Just reaching out to let you know I've had a look around at what's on the market to make sure you're still on the best deal possible.

Your current deal is still better than most on the market, however, I was able to speak with your lender and negotiate a rate reduction!

You don't need to do anything from here, your lender will simply apply the reduction as of X date, and then you will see your repayments reduce to \$X.

It would still be great to catch-up though, so give me a ring when you get a chance or let me know a time that suits and I'll make sure I'm free.

Looking forward to speaking soon!

You don't need to do anything, it applies from [X date] and your repayments will drop to \$[X]. Give me a call when you get a chance, it will still be great to catch-up.
